Sir:

During an August 3, 2004 telephone interview, Examiner Dowling indicated that the above-identified is in condition for allowance, except for one informality. In particular, Examiner Dowling indicated that in the February 25, 2002 Amendment, claim 14 should have been underlined because claim 14 is a new claim in this Reissue application.

Accordingly, Applicants herein enclose an underlined claim 14 to substitute for the claim 14 that was not underlined in the February 25, 2002 Amendment. With the exception of the added underlining, both claims are identical. Entry of this underlined claim 14 should resolve any informalities in the above-identified Reissue application.
